

ELOPEMENTS Information Sheet

CONGRATULATIONS ON YOUR UP COMING EVENT!

Congratulations on your up coming event and we thank you for taking time to look at the Barn at the Mountain.

Our barn is a labour of love, hand made by us for you. The timber was recycled off our 500 acre property, fallen and damaged trees collected after Cyclone Marcia and sawn by us on a timber mill.

Elope with just your witnesses or family and a few friends, for groups up to 20 people.

Get married, take some photos with your intimate group, you can organise snacks and drinks for them while they wait and then head out for your celebrations to dinner or elsewhere for a big party.

Ideal for the couples who want the focus on them, with less stress, less planning and less cost!

We have some furniture on site you can use, you will need to organise your celebrant, photographer, flowers, arbour decorations and any food and drinks you would like on the day. If you would like onsite staff for the day these can be hired for a fee.

The Barn at the Mountain has a relaxed casual atmosphere with plenty of options for scenic photography rustic and country on our 500 acres
